Dear PUSH21 Family,

We are very excited to present to you the 2022 Summer Programming Guide for Achieve 21. We are thrilled to be able to spend some time enriching the lives of our youth. Throughout this six-week program, our youth will have the opportunity to build new skills, connect with friends old and new, and have lots of fun! Our program will offer these enrichment opportunities to any student Kindergarten to 4th grade. This summer we will be offering an array of academic and enrichment programs.

The best part of PUSH21 is that it is FREE to all of our families! If you have any questions, comments, or concerns please reach out at the contact information below.

Sincerely,

Wilton Mitchell

Program Director
